PROJECT UPDATE

The 110b was submitted to the Building Department and has been fully executed. The General Contractor submitted a time extension due to changes in the rooftop units. This TIA was considered non-compliant with the contractual requirements. This request needs to be revised by the General Contractor. This item is pending in the Schedulers court.

PROJECT SCOPE

Installing a new roof on Building 6 including removing and reinstalling the existing mechanical equipment. Test and balance the air handling systems in Buildings 5 & 11. BUDGET
